pushTAN: Set up smartphone

If you forget your password for the S-pushTAN app, or if your access is blocked due to entering an incorrect password, or you have a new smartphone, you can set up the S-pushTAN app again in just a few steps and connect it to your online banking.

1 A) You have a new smartphone: Download the S-pushTAN app to your new smartphone.

B) Forgotten password: Call up the pushTAN app in the settings of your smartphone and select **"App zu-rücksetzen"**. If available, delete the app from your phone's memory or switch your phone off and on again.

In the next step, enter a password for the app and confirm it by entering it again.

Then specify whether you want to open the app alternatively via TouchID or FaceID.

3 Choose your Sparkasse by entering its name or sort code (BLZ) and enter your access information for online banking.
